Overview of the Game

Genre: Puzzle / VR Escape Room

You awaken in a moonlit classical Chinese garden—a place of tranquil ponds, winding pathways, and pavilions adorned with crimson lanterns. But this sanctuary is a gilded cage. Legend says the garden's creator sealed a priceless treasure here, guarded by poetic riddles, shifting symbols, and the spirits of nature itself. To escape, you must harmonize with the garden's soul—before its eternal night claims you forever.
